

## WST - Woven Silk Tie

A silk tie designed and woven to order with up to 6 colours. Weaving is ideal for creating bold and textured designs like logos or emblems. The super soft feel of silk makes for a luxurious tie that is both lightweight and breathable while highly durable.

***NB: All prices are subject to sight of artwork and designs requiring a high-weft technique may incur further surcharges (please enquire for details).***

On the reverse of the tie a fabric self-loop holds the tail in place. A bespoke woven label can be included alongside or in place of this.

2 standard materials: Micro Polyester/**Silk**.

Optional extras: additional colours/custom printed storage sleeve/presentation box.

Also available in an alternative clip-on style or as part of a bespoke set e.g. in a personalised presentation box featuring a lid and cufflinks made from matching fabric or with a matching scarf.

*Ties and scarves of all sorts of styles make stylish and sophisticated retail items and promo gifts. They're fantastic for sports and social clubs or as part of a school or corporate uniform. Bespoke neckwear can also be combined with accessories like cufflinks or handkerchiefs to create a truly unique and elegant set.*
