CC - Cat Collar

A polyester cat collar personalised on 1 or both sides with a screen or all over full colour print. This smooth and durable collar allows any cat to wear a tag or bell without restricting their ability to run and play.

Fitted with a plastic safety breakaway buckle along with a catch and slide adjuster. An iron bell attached via a metal D-ring helps owners locate their pets and warns potential prey about an approaching cat.

Pantone matched polyester as standard.

Standard size: 10x450mm.

Optional extras: additional spot colours.

This paw-some range of pet products is purr-fect for any and all animal-related promo or retail purposes. These quality items are especially suited to pet sitters and groomers along with vets and animal charities.
