

## HCL15 - 15mm Hemp Cotton Lanyard

A hemp (55%) and organic cotton (45%) lanyard screen printed with up to 4 spot colours on 1 or both sides. This material offers a more sustainable alternative to conventional plastic-based fabrics.

Fitted with a black plastic safety break and metal trigger clip.

Available in a wide range of standard colours.

4 standard sizes: 10/**15**/20/25mm.

Optional extras: additional spot colours/alternative fittings.

*Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.*
