

WTCK - Wooden Trolley Coin Keyring

A wooden trolley coin with an engraving or screen print on 1 or both sides. Made from smooth and lightweight basswood to create a more sustainable product.

NB: Prices are based on a simple engraved design covering no more than 50% of the surface (subject to confirmation on sight of artwork). Engraved logos may differ subtly in appearance due to slight variations in the colour and finish of natural basswood.

Fitted with a metal trigger clip featuring a jump ring and split ring.

Supplied in a natural light brown colour as standard.

2 standard coin sizes: £1/1€.

Optional extras: additional spot colours/printed backing card.

High-quality bespoke keyrings are long-lasting and popular products people always keep close at hand. They make a great retail product and an effective promotional tool when used as a gift or giveaway item.
