WBA-20 - Wooden Badge (20mm)

A fully bespoke wooden badge with an engraving or screen print on 1 side. Made from smooth and lightweight basswood to create a more sustainable product.

NB: Prices are based on a simple engraved design covering no more than 50% of the surface (subject to confirmation on sight of artwork). Engraved logos may differ subtly in appearance due to slight variations in the colour and finish of natural basswood.

Supplied with a butterfly clutch pin and in a natural light brown colour as standard.

Cut to shape in 5 standard sizes: **20**/30/40/50/60mm.

Optional extras: engraving on the reverse/additional spot colours/alternative fitting/printed backing card.

Bespoke badges have many styles and all sorts of uses as long-lasting promotional or retail products. They make fantastic gifts or awards and are excellent for high-volume event giveaways and campaigns.
