

WCO-100 - Wooden Coaster (100mm Diameter: 3mm Thick)

A fully bespoke wooden coaster with an engraving or screen print on 1 side. Made from smooth and lightweight but durable basswood. This eco coaster offers a more sustainable way to protect surfaces from spills and stains.

NB: Prices are based on a simple engraved design covering no more than 50% of the surface (subject to confirmation on sight of artwork). Engraved logos may differ subtly in appearance due to slight variations in the colour and finish of natural basswood.

2 standard sizes: 90/**100**mm.

Optional extras: engraving on base/additional spot colours.

Office and conference products range from stationery and coasters to printed plastic cards and stress toys. All of these useful items can be personalised to create effective and enduring promotional tools.
