BANF_MF_XP - Premium Full Colour Double Layer Band-It with Black Fleece

A premium poly/spandex blend band-it personalised on both sides with an all over full colour print and supplied with a black fleece. The double layered design and premium material lend this item a top-quality look and feel while also providing even greater warmth and comfort.

Standard size: 250x750mm including 250mm fleece.

A stretchy tubular bandana is a multi-purpose accessory available in all sorts of styles. It can be worn as a simple scarf or fashioned into anything from a balaclava or hood to a head/hairband or scrunchie. It is great for staying cool and protected from the sun during summer as well as for keeping warm in winter.

Wearables range from socks and laces to bandanas and beyond. Attractive clothing and accessories don't only fulfil their standard functions but also make fantastic promo or retail products when personalised.
