DSWR15UK - 15mm Recycled PET Event Wristband (UK Made: Dye Sublimation Print)

A UK-made recycled PET event wristband with a dye sublimation CMYK print on 1 side. This method of printing is perfect for creating vibrant and detailed full colour designs.

NB: An additional print charge may apply if the artwork must be cut in a specific way (enquire for details).

Recycled PET fabric is an ultra-smooth and durable material that is not only water and tear-resistant but also a more sustainable alternative to polyester.

Fitted with a metal adjuster bead, metal security ring or plastic locking ring as standard.

Optional extras: crimper tool for aluminium security rings/dye sublimation print on both sides.

An overseas-made version is also available along with a polyester alternative.

Wristbands are long-lasting and popular products found in many forms, from fashion or sports accessories to ID or security passes. As promotional items they're perfect for fundraising and awareness campaigns.
