

BBUK32 - Button Badge (UK Made: 32mm)

A high-quality UK-made button badge with a pantone matched screen print or full colour process print on 1 side. The design is printed on recycled paper and protected with a gloss laminate finish.

NB: Prices are based on a 4-colour process print on a white background (if specific pantones are not possible with this method of printing – especially for metallic and dayglo colours – separate spot colours will be supplied on sight of artwork).

Supplied in 6 standard sizes with different fittings available depending on size.

Hollow metal back with D-pin: 25/**32**mm.

Solid metal back with safety pin (or recycled plastic back with child-safe clip): (38)/45/(55)mm.

Recycled plastic back with safety pin: 75mm.

Optional extras: metallic and dayglo colours/individual name on each badge/printed backing card.

Bespoke badges have many styles and all sorts of uses as long-lasting promotional or retail products. They make fantastic gifts or awards and are excellent for high-volume event giveaways and campaigns.
