

## RPSP25 - 25mm Recycled PET Lanyard

A textured recycled PET lanyard screen printed with up to 4 spot colours on 1 or both sides. This material made from recycled plastics offers a more sustainable alternative to conventional plastic-based fabrics.

Fitted with a black plastic safety break and metal trigger clip.

Available in off-white as standard.

4 standard sizes: 10/15/20/**25**mm.

Optional extras: additional spot colours/alternative fittings/pantone matching.

Also available with a full colour dye sublimation print.

*Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.*
