

## TPL15 RPET - 15mm Recycled PET Tubular Lanyard

A tubular recycled PET lanyard screen printed with up to 4 spot colours on 1 or both sides. This tubular lanyard has a unique look and a softer feel that makes it very comfy to wear.

Made from recycled plastics to create a more sustainable product.

Fitted with a black plastic safety break and metal trigger clip.

Available in off-white as standard or pantone matched at an additional cost.

2 standard sizes: 10/**15**mm.

Optional extras: additional spot colours/alternative fittings/pantone matching.

A polyester version is also available.

*Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.*
