

BMUK75 - Button Magnet (UK Made: 75mm)

A fantastic UK-made button badge-style fridge magnet with a pantone matched screen print or full colour process print on 1 side. The design is printed on recycled paper and protected with a gloss laminate finish.

NB: Prices are based on a 4-colour process print on a white background (if specific pantones are not possible with this method of printing – especially for metallic and dayglo colours – separate spot colours will be supplied on sight of artwork).

Fitted with a magnet on the metal reverse.

2 standard sizes: 38/**75**mm.

Optional extras: metallic and dayglo colours/individual name on each magnet/printed backing card.

Alternative fridge magnets are available in a variety of styles and materials.

Home and leisure-related lifestyle products come in various forms and have all sorts of possible retail or promotional uses. These items are not only often convenient and practical but also fun and attractive.
