

## V-RAD(B) - Vintage Radiator Keyring (Bespoke)

A stamped bespoke alloy injection radiator-shaped keyring with a full colour printed decal on 1 side. These decals are ideal for vibrant designs and are enhanced and protected by a glossy and hard-wearing domed epoxy coating.

This practical keyring features a valve key for bleeding radiators.

Fitted with a metal split ring.

Supplied with a polished nickel-plated finish as standard or black nickel-plated finish at an additional cost.

Optional extras: alternative fitting/alternative plating/alternative finish/printed backing card.

A UK-stocked version is also available along with a conventional UK-stocked radiator keyring.

*High-quality bespoke keyrings are long-lasting and popular products people always keep close at hand. They make a great retail product and an effective promotional tool when used as a gift or giveaway item.*
