MAGIC003 - Magic Diamond (70mm)

A stunning 70mm Magic Diamond printed full colour on all sides. This intriguing item consists of 8 connected blocks that continuously flip and fold in a seemingly never-ending loop. Each new fold reveals more vibrant artwork as it opens to reveal a diamond cavity inside and then back to a closed diamond again.

The standard template creates 20 panels (6 large squares and 6 slightly smaller diamonds along with 8 small triangular corner panels). See our calendar templates here.

The blocks are made of durable black HIPS recycled plastic covered with matt labels.

Fitted with a magnetic closure and individually shrink-wrapped as standard.

Optional extras: anti-scratch labels/plain white or branded paper box/AR.

Also available in a 50mm size and an alternative premium style (please enquire for details).

The Magic Concepts range represents the pinnacle of highly engaging and intelligently designed multisensory 3D media. These magical folding and twisting puzzles provide the perfect way to effectively communicate anything from product launches or anniversaries to company values and corporate training. Not to be confused with cheap copies, all cubes are of superb quality & long lasting finish worthy of premium brands.
