

## MAGIC009 - Magic Card (160mm)

A beautifully made 160mm Magic Card printed full colour on all sides. This smart and sophisticated item consists of thin connected panels that continuously flip and fold in a seemingly never-ending loop. Each new fold reveals more vibrant artwork as the card magically morphs into various shapes and back again.

The standard template creates 6 panels (2 large and 4 smaller rectangular panels).

The blocks are made of durable white HIPS recycled plastic covered with matt labels.

Fitted with a magnetic closure and individually shrink-wrapped as standard.

Optional extras: anti-scratch labels/glossy finish/AR.

*The Magic Concepts range represents the pinnacle of highly engaging and intelligently designed multisensory 3D media. These magical folding and twisting puzzles provide the perfect way to effectively communicate anything from product launches or anniversaries to company values and corporate training. Not to be confused with cheap copies, all cubes are of superb quality & long lasting finish worthy of premium brands.*
