LKF-HE - Leather Effect Keyring (Hard Enamel Infill)

A classy leather-effect keyring featuring a 1.8mm thick zinc alloy tag with a recessed design stamped on 1 side and a hard enamel infill of up to 4 spot colours. Hard enamel is best for creating bold and durable tags with flat and smooth surfaces.

Fitted with a metal crimp and split ring.

Cut to shape in any size up to 70x40mm.

Available in black as standard.

Optional extras: additional spot colours/silver foil on reverse/printed backing card.

3 standard options: soft enamel infill/**hard enamel infill**/full colour print.

High-quality bespoke keyrings are long-lasting and popular products people always keep close at hand. They make a great retail product and an effective promotional tool when used as a gift or giveaway item.
