PAPLBL - 20mm Paper Lanyard in Black (UK Stock)

A UK-stocked black 20mm flat paper lanyard available plain next-day or with a 1 colour screen print on 1 side in 8-10 working days.

This non-tearable product consists of 95% sustainably sourced wood pulp fibre (paper) mixed with 4% water and 1% wet strength agent (glue).

Fitted with a safety break and metal trigger clip.

Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.
