UPH - Universal Phone Holder

A universal phone holder with a screen print on 1 or both sides. This strong TPU backed phone holder slots through the charging hole on many phone cases to allow secure connection to a lanyard.

Fitted with a sturdy metal D-ring to enable easy attachment.

2 standard colours: black/white. Other colours are available subject to material availability: red/grey/orange/yellow/blue/royal blue/green/clear.

A low cost and compact alternative to traditional phone holder products. This item is especially useful for exhibitions or any occasion on which keeping a phone easily accessible while also secure is desirable.
