DBTCK-E-EU - Dog Bone Trolley Coin Keyring (Stamped Enamel)

A Dog Bone-shaped trolley coin with a standard recessed design stamped on 1 side, and a stamped and soft enamel infill of up to 4 spot colours on the other side. Soft enamel is best for creating detailed and textured coins with raised and sunken areas.

Fitted with a metal trigger clip featuring a jump ring and split ring.

Supplied with a polished nickel-plated finish as standard.

2 standard coin sizes: €1/€2 or £1/£2.

Optional extras: additional spot colours/alternative plating/alternative finish/printed backing card.

Also available with a full colour print.

High-quality bespoke keyrings are long-lasting and popular products people always keep close at hand. They make a great retail product and an effective promotional tool when used as a gift or giveaway item.
