DTCK-P-EU - Double Trolley Coin Keyring (Printed)

A double trolley coin keyring with a full colour printed design on one side. Full colour printing is best for creating detailed and vibrant coins with a flat and smooth surface.

Fitted with a metal trigger clip featuring a jump ring and split ring.

Supplied with a polished nickel-plated finish as standard.

2 standard coin sizes: €1/€2 or £1/€1.

Optional extras: additional spot colours/alternative plating/alternative finish/printed backing card.

Also available with a soft enamel infill.

High-quality bespoke keyrings are long-lasting and popular products people always keep close at hand. They make a great retail product and an effective promotional tool when used as a gift or giveaway item.
