

BCOUK-D - Bamboo Double Coaster (UK Made)

A UK-made bamboo double coaster with an engraving or full colour print on 1 side. Made from smooth and durable 5mm thick bamboo to offer a more sustainable way to protect surfaces from spills and stains.

NB: Engraved logos may differ subtly in appearance due to slight variations in the colour and finish of natural bamboo.

Fitted with a cork base and supplied in a natural warm caramel colour with a protective satin wood oil finish (clean only with a soft damp cloth for optimum preservation).

Optional extras: individual names on each coaster.

Office and conference products range from stationery and coasters to printed plastic cards and stress toys. All of these useful items can be personalised to create effective and enduring promotional tools.
