

## TPL10 - 10mm Tubular Polyester Lanyard

A tubular polyester lanyard screen printed with up to 4 spot colours on 1 or both sides. This tubular twist on the more familiar flat polyester style has a unique look and a softer feel that makes it even comfier to wear.

Fitted with a black plastic safety break and metal trigger clip.

Available in a wide range of standard colours.

2 standard sizes: **10/15mm**.

Optional extras: additional spot colours/alternative fittings/pantone matching.

A more sustainable recycled PET version is also available.

*Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.*
