

## EWL20 - 20mm Executive Woven Lanyard

A top-quality polyester lanyard with a jacquard woven design on 1 side. The design is woven into the front of the lanyard but also visible in reverse on the back. The durable material is both water and tear-resistant.

**NB: Prices are based on a simple woven design (subject to confirmation on sight of artwork). Woven set up costs also apply on repeat orders.**

Fitted with a black plastic safety break and metal trigger clip.

Available in black and white or pantone matched.

3 standard sizes: 15/**20**/25mm.

Optional extras: additional woven colours/alternative fittings.

*Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.*
