

## TCKW-E - Wishbone Trolley Coin Keyring (Stamped Iron Soft Enamel Infill)

A zinc alloy wishbone-shaped holder including an iron trolley coin with a recessed design stamped on 1 or both sides and a soft enamel infill of up to 4 spot colours. Soft enamel is best for creating detailed and textured coins with raised and sunken areas. Perfect for promoting any kind of business.

The holder is fitted with a metal jump ring and split ring.

Supplied with a polished nickel-plated or brass-plated finish as standard.

2 standard coin sizes: £1/1€.

Optional extras: additional spot colours/laser engraving on holder/alternative plating/alternative finish/printed backing card.

Also available without any infill for an entirely metal coin or with a full colour print.

*High-quality bespoke keyrings are long-lasting and popular products people always keep close at hand. They make a great retail product and an effective promotional tool when used as a gift or giveaway item.*
