

BSC-L - Cycling Saddle Cover

A waterproof bike saddle cover with a full colour dye sublimation print on 1 side. Made from RPET with a PU waterproof backing. This lightweight, compact and practical product is perfect for protecting the seat from the elements when the bicycle is not in use. This includes when a bike is on a towbar mounted rack or turned upside down for repairs.

Fitted with an elasticated edge for a secure fit on any saddle.

1 standard size: 250x230mm.

This superb range of sporty products includes items ideal for individual use as well as for clubs and teams or even competitions. Perfect for any and all sports and exercise or health-related promo or retail purposes.
