

## DCL - Dog Clicker

A practical plastic dog clicker with a screen print on the reverse. Using a clicker is one of the most effective methods for training dogs. Teaching them to associate the clicking sound with treats and affection can significantly speed up the learning process.

Fitted with a plastic yellow button along with a yellow spring band connected to the device via a metal spring clip. This allows the user to secure the clicker around their wrist or attach it to their clothing or bag.

7 standard colours:  
yellow/blue/green/red/pink/black/white.

Optional extras: quieter click (1000+ pieces)/pantone matched button and spring band (5000+ pieces).

*This paw-some range of pet products is purr-fect for any and all animal-related promo or retail purposes. These quality items are especially suited to pet sitters and groomers along with vets and animal charities.*
