PMDT - Printed Metal Dog Tag

A metal necklace featuring a dog tag with a screen print of up to 4 spot colours or full colour process print on 1 side. This print is protected by a glossy and hard-wearing domed epoxy coating.

Dog tags are especially ideal for giveaways at bootcamps or gyms but are great for all sorts of promotional or retail purposes. They can also be used as ID necklaces to provide details about allergies or diabetes along with other medical conditions.

Supplied with a 700mm metal ball chain and connector.

Optional extras: additional spot colours/additional dog tag/printed backing card.

Wearables range from socks and laces to bandanas and beyond. Attractive clothing and accessories don't only fulfil their standard functions but also make fantastic promo or retail products when personalised.
