PRPC-S - Printed Plastic Cards (54x30mm: 0.76mm Thick)

A small plastic card keyring with a full colour print on both sides. This flexible but durable product is perfect for making membership or loyalty cards. Its other potential uses range from being used for promotions to displaying important information.

Fitted with a metal split ring in a punched hole as standard.

Optional extras: bar or QR codes/sequential numbers/alternative fitting/set.

Also available in a larger credit card size or bespoke shape.

Office and conference products range from stationery and coasters to printed plastic cards and stress toys. All of these useful items can be personalised to create effective and enduring promotional tools.
