TCKW-P - Wishbone Trolley Coin Keyring (Full Colour Print)

A zinc alloy wishbone-shaped holder including an iron trolley coin printed full colour on 1 or both sides. Full colour printing is best for creating detailed and vibrant coins with a flat and smooth surface. Perfect for promoting any kind of business.

The holder is fitted with a metal jump ring and split ring. Mini chain option also available.

Supplied with a polished nickel-plated finish as standard.

2 standard coin sizes: £1/1€.

Optional extras: laser engraving on holder/alternative plating/alternative finish/printed backing card.

Also available stamped with a colour infill or without any infill for an entirely metal coin.

High-quality bespoke keyrings are long-lasting and popular products people always keep close at hand. They make a great retail product and an effective promotional tool when used as a gift or giveaway item.
