DSWR - Event Wristband (Dye Sublimation Print)

A polyester event wristband with a dye sublimation CMYK print on 1 side. This method of printing is perfect for creating vibrant and detailed full colour designs.

Polyester fabric is a smooth and durable material that is both water and tear-resistant.

Fitted with a plastic single-use locking security toggle as standard.

Optional extras: multi-use plastic spring toggle/alternative fittings/dye sublimation print on both sides.

More sustainable recycled PET versions of this wristband are also available (including a UK-made option).

Wristbands are long-lasting and popular products found in many forms, from fashion or sports accessories to ID or security passes. As promotional items they're perfect for fundraising and awareness campaigns.
