DSPL20UK - 20mm Recycled PET Dye Sublimation Print Lanyard (UK Made)

A smooth UK-made recycled PET lanyard with a dye sublimation print on 1 or both sides. Ideal for creating a soft but durable lanyard with vibrant and detailed full colour artwork.

NB: The design must be a step-repeating pattern due to the nature of the manufacturing process.

Made from recycled plastics to create a more sustainable product.

Fitted with a black plastic safety break and metal trigger clip.

2 standard sizes: 15/**20**mm.

Optional extras: alternative fittings.

Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.
