

## EMK-40 - Stamped Iron Soft Enamel Keyring (40mm)

A fully bespoke iron keyring with a recessed design stamped on 1 side and a soft enamel infill of up to 4 spot colours. Soft enamel is best for creating detailed and textured keyrings with raised and sunken areas.

Fitted with a metal chain featuring a jump ring and split ring.

Supplied with a polished nickel-plated or brass-plated finish as standard.

Cut to shape in 3 standard sizes: **40/50/60mm**.

Optional extras: additional spot colours/domed epoxy coating/alternative plating (silver/gold/copper/chrome/black nickel)/alternative finish (sandblasted/antique)/printed backing card.

Also available with a hard enamel infill or without any infill at all for an entirely metal keyring.

*High-quality bespoke keyrings are long-lasting and popular products people always keep close at hand. They make a great retail product and an effective promotional tool when used as a gift or giveaway item.*
