On the reverse of the tie a fabric self-loop holds the tail in place. A bespoke woven label can be included alongside or in place of this.

2 standard materials: **polyester**/silk.

Optional extras: additional spot colours/custom printed storage sleeve/presentation box.

Also available in an alternative clip-on style or as part of a bespoke set e.g. in a personalised presentation box featuring a lid and cufflinks made from matching fabric or with a matching scarf.

Ties and scarves of all sorts of styles make stylish and sophisticated retail items and promo gifts. They're fantastic for sports and social clubs or as part of a school or corporate uniform.
